### Message from Gary Goodyear, Member of Parliament

Dear Friends:

I'm not sure what's worse: having an actual election, or being constantly on the edge of an inevitable one?

Actually, leaving our current government in power is far worse! Canadian citizens deserve far better. You and your children deserve far better. Only a change in government will give us far better. Any Party would be better than one that would lie, steal, say anything to win, and do nothing unless it benefits itself rather than the Canadian people it represents.

If we want an honest government with integrity and real ideas about solving our problems, then the only way to achieve change is to get out and vote Conservative.

A vote for the Liberals in this coming election would be condoning their behavior and further validating our learned response that all governments are corrupt. People can alter their thought, although the "if it was good enough for Grandpa, it's good enough for me" attitude still exists in many.

And since I believe that no other party can form a

Government except the Liberals or the Conservatives, then it comes down to us or them.

Do you want, and can this country afford another Liberal government?

Can we afford to continue on the current path? The decriminalization of marijuana and prostitution? Remember too, that the Liberals (and NDP) voted against raising the age of sexual consent from 14 to 16 leaving our children vulnerably exposed to internet predators. The Liberals (and NDP) voted against mandatory minimum sentencing for repeat violent offenders, leaving criminals to run wild without significant disincentives to make our streets safer. I ask you: what next??

It's no wonder that 13-year-olds are carrying guns in Toronto, why hundreds of grow ops exist, why our children can't play on the streets after dark! If Canadians vote in the Liberals again, it's conceivable that we could see 14-year-old prostitutes getting tickets, while their pimps get house arrest for their drug operations.

I have and will '*Stand Up*' for our families, for our jobs, for safe streets. I need you to '*Stand Up*' for your community, for your country, and for your future.

When the election is eventually called, let's send a resounding message. Please get involved. We will need hundreds of volunteers. Even if you can only spare a day, a few hours, we will need it. I will need you!

I promise to fight your fight in Ottawa. I promise to work for your best interests, not for votes. I promise that, with your help (by speaking to your friends, neighbours, your groups and your families), that I will win this election for you.

Help me help you to help this great community and country and let's show this current government that this is OUR country - not the Liberals!

Gary Goodyear Speaking in the  
House of Commons.

### President's Message

As our Electoral District Association (EDA) ends its second year, it has indeed been another busy and active time for Conservatives in Cambridge-North Dumfries. We continue to move towards accomplishing our goals as set out at the beginning of the year; to build an even stronger Association with a large and active membership, improve our finances and prepare for the next election campaign.

The Association Barbecue on September 18th was very well attended and featured our special guest, Newfoundland M.P. Loyola Hearn. In addition, our Golf Tournament & Dinner on June 17th was a great fundraiser for the EDA. I would like to thank all the committee chairs and members involved who worked so hard to make these events such a success.

The Party's National Policy Convention in Montreal was well attended, including a strong contingent from Cambridge-North Dumfries. We were able to develop and approve a strong policy document which reflects our Conservative values and principles and will form the election platform.

We continue to prepare for the upcoming federal election. Campaign Manager Peter Tudisco will lead a strong team to get Gary Goodyear re-elected. Gary continues to have a strong impact in Ottawa and is showing that a principled committed high energy M.P., can make a real difference for the citizens of Cambridge-North Dumfries. That is why it is so important that we get Gary re-elected. If it is possible for you to help out in any way during the campaign it would be greatly appreciated.

Your Board of Directors has developed and is always searching for and working on new ideas to improve and strengthen the EDA. If you have any ideas or suggestions or would like to provide feedback or would like to volunteer to help out our Electoral District Association, please let us know.

As we approach the New Year, we continue to have a full and active Board who is committed to moving the Association forward to accomplish our goals. I would like to thank the Board members for volunteering their resources for a cause they believe in so strongly. Furthermore, I would like to thank our members who

supported the Electoral District Association over the past year, whether it was attending the Golf Tournament or Barbecue, making a financial contribution or in some other manner.

I would encourage you to renew your membership (if it is due), participate in the Christmas Turkey Drive Fundraiser or make a direct financial contribution to the Association.

Finally, I would like to wish everyone a safe and enjoyable Holiday Season and a happy and prosperous New Year.

Larry Hardman

President

Dear Fellow Conservatives,

It was a real roller coaster ride, heading into the last weeks of the House of Commons. I do not recall when so many of us were riveted to our televisions in anticipation of what would happen next. Will we or will we not have an election?

As we all know, the Liberals were able to hold on to power by a mere one vote margin.

If the PM is true to his word (which is a lot to ask of him) we will once again be in election mode early in the New Year.

I am pleased to report that our campaign team is in good spirits and have continued to work even over the summer, in order to be ready as soon as the writ is dropped, whenever that may be.

I would like to take this opportunity to thank all of them for their commitment to this party and to Gary. I am not boasting when I say that we have the best campaign team of any electoral district in Canada. Every single one of them are outstanding individuals and I look forward to working side by side with them to get Gary Goodyear re-elected as the MP for Cambridge and North Dumfries.

I would also like to thank the numerous volunteers that to date have given their time to help as we prepare for the next election.

I wish every member a Merry Christmas and prosperous new year.

Peter Tudisco  
Campaign Manager
